Program Director

30th May 2026 19:00 - 21:30

Dr. Amol Dongre

Director of Medical Oncology,
Max Healthcare - Nagpur

Dr. Amol Dongre, Director of Medical Oncology at Max Healthcare, Nagpur, is a highly respected oncologist known for his expertise and compassionate patient care. He specializes in advanced cancer treatments including chemotherapy, targeted therapy, and immunotherapy, ensuring patients receive the most effective and personalized care.

With a strong focus on multidisciplinary treatment, he works closely with surgical and radiation oncology teams to deliver comprehensive cancer management. His approach emphasizes early diagnosis, evidence-based treatment, and continuous monitoring for better outcomes.

Dr. Dongre is committed to staying updated with the latest advancements in oncology, allowing him to provide cutting-edge therapies to his patients. He is also actively involved in academic activities and knowledge sharing within the medical community.

His dedication, ethical practice, and patient-first approach make him a trusted name in oncology, offering hope and quality care to patients throughout their cancer journey.

Regards
Dr. Amol Dongre
